Mr. L. S. MacPhail,  
Exec. Vice-President  
Brooklyn National League Base Ball Club,  
Brooklyn, N. Y.

Dear Sir:

Several weeks ago I came to your office with a letter of introduction from Mr. Bob Quinn of Boston, with me was Mr. Alexander Pompez, the owner of The Cuban Stars Baseball Club, a Member of The Negro National League. Mr. Pompez wants to play ball at Ebbetts Field this Summer, when The Dodgers are away.

Your Secretary, Mr. MacDonald, talked to us and we left with the understanding we would hear from you.

Our League is meeting early in December, and Mr. Pompez would like very much to have his plans for the coming Season outlined at that time. He will be glad to come and see you again at any time you would desire.

I will greatly appreciate hearing from you on this matter.

Very truly yours,
